Mice + Business Travel Market

Success in a Different Way

The term MICE in the context of travel is an acronym for Meetings, Incentives, Conferences, and Exhibitions. The MICE market refers to a specialized niche of group tourism dedicated to planning, booking and facilitating conferences, seminars, and other events. The acronym may be falling out of favor and some push to call it the meetings industry or the events industry. It's understandable that a reference that could be overheard to mean rodents might not be the desired image for travel destinations and accommodations.

YOUR COACH

- We have carefully chosen an air-conditioned coach for your comfort and convenience in Europe, since most of your traveling would be by coach.
- We however request you to assist us in keeping the coach neat and clean so that all of you can be comfortable during your holiday in Europe. Please do not eat foodstuff in the coach as there is a possibility of some leftover falling all over the coach.
- We regret that in the interest of the fellow customers, smoking and drinking alcoholic beverages is not permitted on the coach.

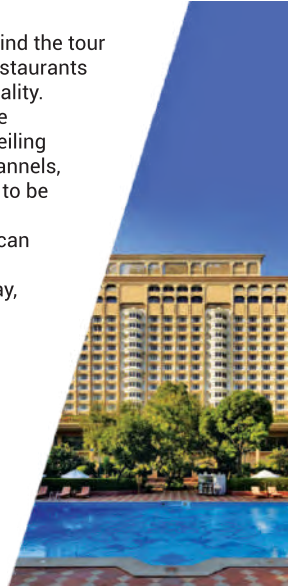

COACH DRIVER

Your coach driver spends a large part of the day driving you safely, loads and unloads your baggage onto the coach. Please do note that the coach driver, especially in Europe, plays a very important role in making your tour a memorable one.

HOTELS

- Your hotels have been conveniently located and specifically chosen keeping in mind the tour program, location, allowing Indian Dinners to be served in the Hotel premises / Restaurants and space availability. Utmost care is taken to ensure accommodation of good quality.
- Most hotel rooms are air-conditioned, but on some days due to extreme rise in the temperature, there is a possibility that it could get hot. There is no provision for ceiling fans / table fans. - Please ensure that there are no damages done to your hotel room during your stay, since the same would be charged to you directly by the hotel.

CURRENCY EXCHANGE

Since 01st January 2002, Euro currency has come into existence.

- You must carry Euros, Swiss Francs and UK Pounds on your tour. To assist you with exchange, here are few salient tips.
- The Euro currency on our tours is acceptable in 06 countries: viz.: Belgium, Holland, Germany, Austria, Italy and France.
- The denominations of the Euro are Notes: 500, 200, 100, 50, 20, 10 and 5 Coins: 02 Euro, 1 Euro and 50, 20, 10, 05, 02 and 01 cent.
- On your European tour, you have to change money in Switzerland and United Kingdom as the Euro is not the local currency in these countries. The currency in Switzerland is Swiss Franc and in UK is Great Britain pound.
- Avoid changing money at the hotels since they offer a very poor rate of exchange.
- Change only as much money as you feel you would require in a country. Every time you change and re-change your currency, you pay an exchange service charge and currency fluctuations, which is sometimes as high as 7-10.0.
- Use all loose coins and smaller denomination notes in the same country, as these cannot be exchanged for another country's currency.
- If you are carrying Traveller's Cheques, please keep the purchase receipt in a safer place, away from the original Traveller's Cheques. When changing Traveller's Cheques to cash, usually commission is levied.
- Carry the currencies of each country you would be visiting on the tour, including smaller denominations. Please ensure that you carry Euro coins as they are required for trolleys at the airports.

USA VISA

Generally, a citizen of a foreign country who wishes to enter the United States must first obtain a visa, either a non immigrant visa for temporary stay or an immigrant visa for permanent residence. A non immigrant visa is used by tourists, business people, students, or specialty workers who wish to stay for a particular period of time in the United States to accomplish specific purposes. Each visa applicant, including children, is required to pay a non-refundable, non-transferable application fee, whether a visa is issued or not.

REQUIREMENTS

1. All the applicants are required to be present at the Embassy/Consulate or Visa Application Center for the interview in person. Children below 14 years of age are not required to be present at the Embassy.

2. A passport valid for travel to the United States with validity dates at least six months beyond your intended period of stay in the United States.

STEPS TO APPLY THE US VISA

1. Each applicant - including children - must have their own Form DS-160 visa application. The Form DS-160 must be completed and submitted online prior to your interview at the Embassy or Consulate.
2. Once the DS-160 is completed, Visa fee is paid.
3. Two appointments are scheduled, one for the Visa Application Center (VAC) and one for the visa interview at the Embassy or Consulate. You will be fingerprinted and your photo will be captured when you arrive for your interview at the Visa Application Center.
4. Following your visit to the Visa Application Centre, you will then visit the U.S. Embassy on the date and time of your visa interview.

IMPORTANT NOTE ON VISA WHAT ARE THE NORMAL REASONS OF VISA REJECTIONS:

Fraud documents: No change to reapply

Insufficient fund's in account:- Passenger gets a chance to reapply while submitting good bank statement can break investment done in FDR and transfer the fund to saving account and enclose a letter from the bank for the same.

Sudden deposits: Can reapply by giving explanation on letterhead and proof for fund transfer.

Not provided evidence of business: Can reapply with business registration.

Not provided original documents such as Income Tax Returns and bank statement: Can reapply with original documents.

Damaged passport

In case visas are rejected by the consulates/ embassies, you may consider reapplication, provided we have sufficient time/ working days prior to the departure of your selected tour date.

WHY ARE CANCELLATION CHARGED IF VISAS ARE REJECTED:

- 1) If the tourist cancels his/ her travel there are certain cancellations fees that apply such as the airlines, hotels and cruises cancellation fees which then have to be passed on to the traveler. As explained earlier Consulates require confirmed tickets, hotels and insurance prior to accepting the visa application. Granting/ rejection of visas is the sole discretion of embassy/ consulate. We only act as a facilitator for providing visa guidance services.
- 2) Paras Holidays has to bear certain administrative, processing and other expenses that are required to be made for making these

reservations for the traveler. These cancellation charges apply irrespective of the reason for cancellation. These charges are the genuine pre- estimate of the damages that we will suffer on account of cancellation and are payable without proof of actual damages. Hence, it is important before booking your holidays tour package to study the cancellation policy and the cancellation charges that would apply once you book tour package. Also please not that Consulates/ Embassies fees and visa fees which too have to be paid in advance at the time of submitting your visa application. In most cases there is no refund of any part of the visa fees returned, if the tourist's visa application is rejected by the consulate. In fact, many a time due to cancellation, Paras Holidays suffer losses because sometimes the cancellation is done at a time of holiday rush and the supplier such as the hoteliers, airlines and cruises have a 100% cancellation charge. You expressly agree to abide by the foregoing Terms & Conditions and Cancellation Policy.

- 3) In group tours the advantage of a group tour is the reduced tour price due to the numbers of a group of a group which facilitates collective buying. When there are cancellations, the numbers of the group reduce and it is too late to fill the vacant seats and the cost per tourist member on the group increases as the numbers of travelling passengers are reduced. It is not possible to penalize the remaining traveling members of the group for your visa rejection. In view of the above explained reasons, cancellation fees are charged in case visas are rejected by the consulates/ embassies. The company cannot be held responsible/ liable for such rejection of The company cannot be held responsible/ liable for such rejection of visas, unless there is a manifest error committed by the company.
